- **Spectators' cars are not allowed at the Finish Line due to parking restrictions. Only Spectators traveling by bike or foot are allowed at the finish line.**
- **Utah Cycling Association Points Race.**

Course Description: Start is at the Marina just as you enter the Island. Proceed east on Causeway to entrance booth, turn around proceed back to the island. At the end of the causeway, turn right to loop counter-clockwise around island. The number of loops depends on the total miles. (Loops are determined by the number of times you pass the intersection from the causeway onto the island. For instance, three loops will be the initial time passing the intersection coming off of the causeway and two more times.) On the last lap around the island, turn right onto the Ranch Road. Continue to the end of the Ranch Road where there will be a "U" turn around. Continue back on the Ranch Road to the final hill. The finish will be at the top of the Hill. Juniors will do one lap of the island, turn right on the Ranch Road and proceed directly to the finish line and finish Southbound. Juniors do not ride out to the Ranch.

Johnsonville will be sponsoring a free Bratwurst and chip lunch for all!

Event held under USA Cycling Permit Pending
